

JEOPARDY

INSTRUCTIONS:

1. Students split into teams
2. Pick a category and a point value.
3. Click on the chosen box for the question.
4. Students must give the answer in the form of a question before clicking again. The teacher may want to set a time limit for answering the question.
5. To see if a student or group is correct, press the spacebar for the answer.
6. If the student or team is correct, they are awarded the point value of the question.
7. Continue until all questions have been answered. The team with the most points wins.

STUDENT INSTRUCTIONS

- Split into groups of 4-5 people
- The first group chooses a category and number
- That group has a certain amount of time to guess
- If that team does not guess in time, it becomes an open question for the other teams
- The teams take turns going in a circle
- The team with the most points wins
