

The background features a collection of 3D rectangular blocks in various colors including red, orange, teal, and light blue. These blocks are arranged in a way that suggests a city skyline or a complex architectural structure. A large white rectangular box with a thin black border is positioned on the right side of the image, containing the title text.

NEWSPAPER BUILDING GAME 5000

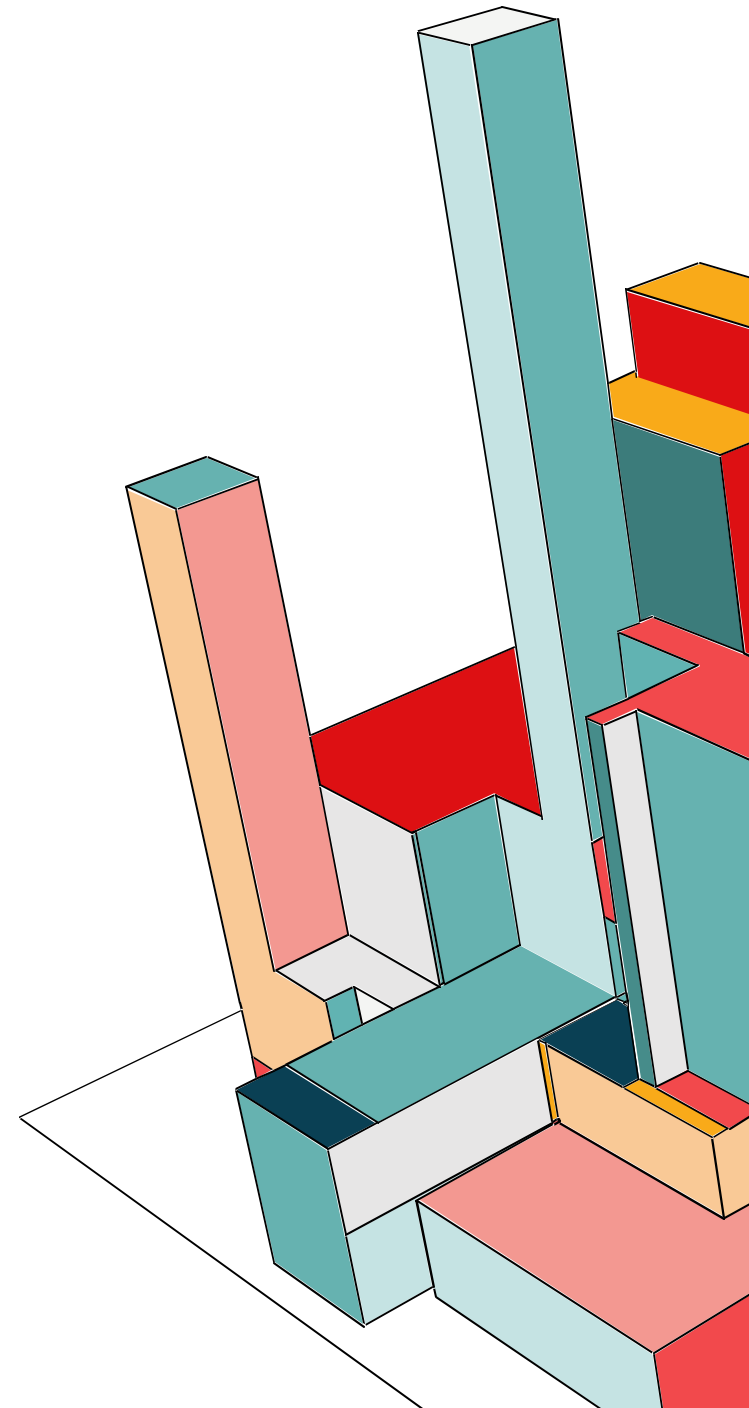

DESCRIPTION

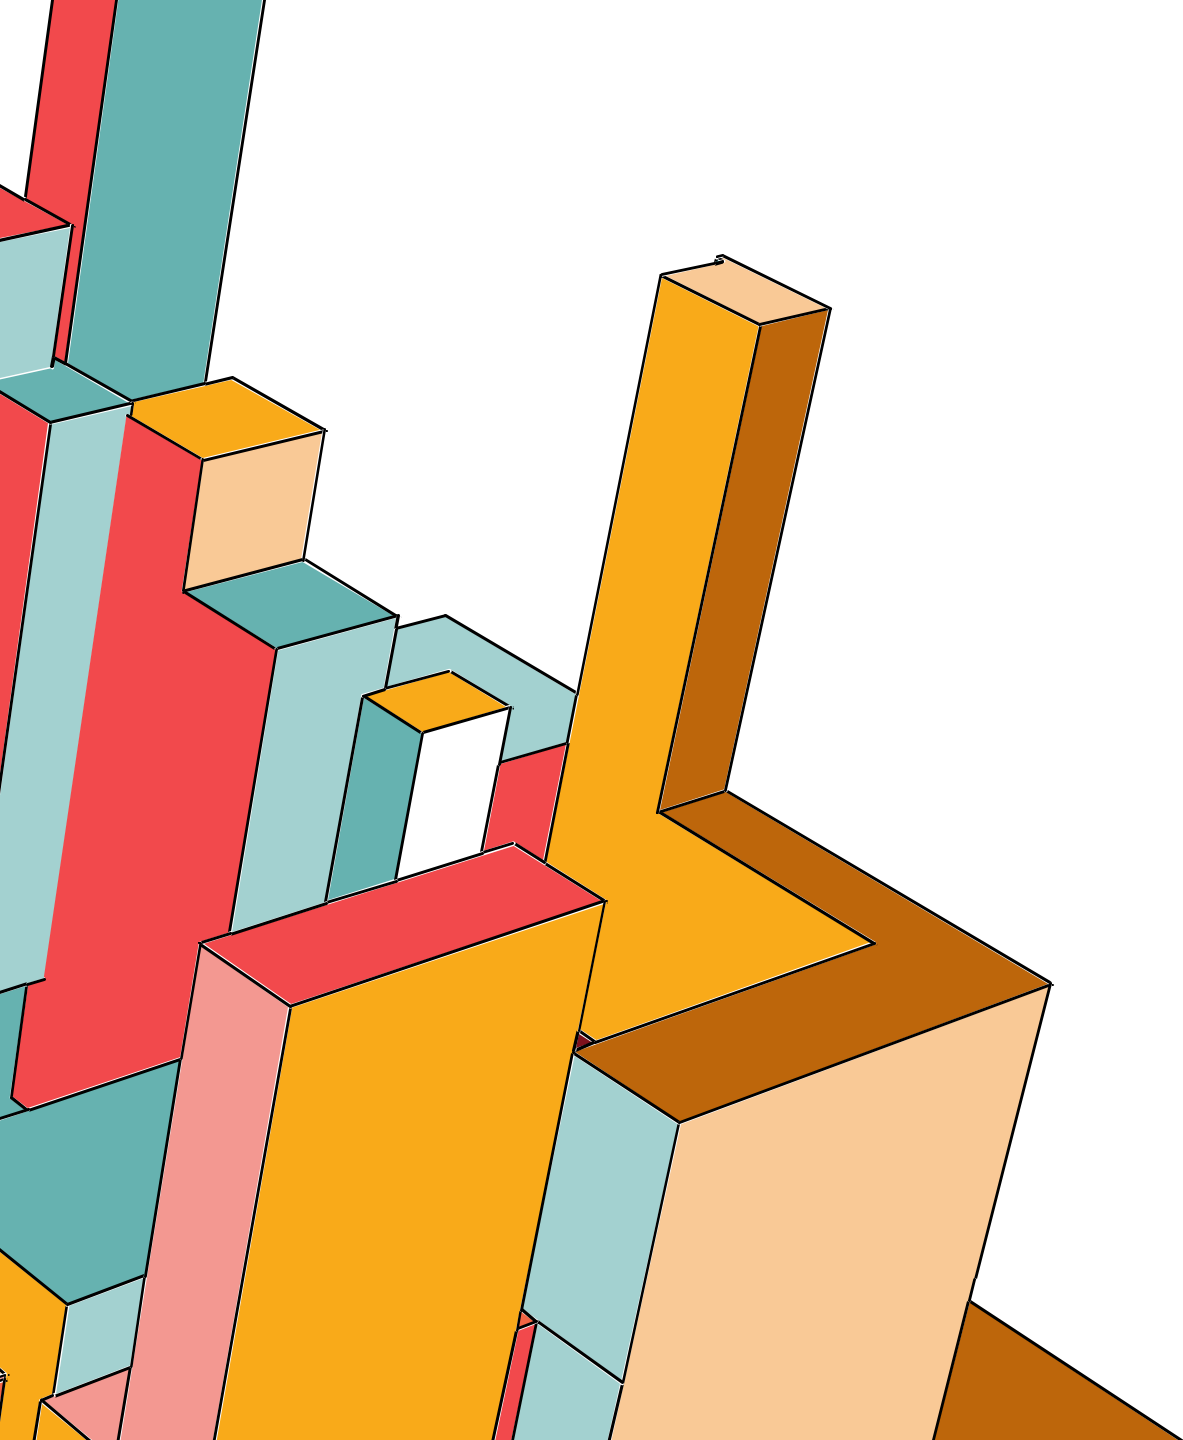

The goal of this game is to create the tallest and sturdiest tower out of newspaper. The class will be divided into 4 teams and then given a bunch of newspapers to make a tower out of. The best tower will win.

MATERIALS

The only materials you would need for this activity would be a lot of newspaper, glue, and scissors. If you cannot get glue than tape would a good alternative. You could also use Construction paper if you do not have access to newspaper. Scissors are not necessary to the activity because the participates can rip the paper if needed.

RULES

Each team will have 10 minutes to create their tower. The tower will have to fit in a 4-foot by 4-foot square. After the time is up each tower will be judged based on its durability, height, and creativity/looks.
